Dave

For the last month of so, these words "Thank You For Serving" have been said to me a lot in this little
Town of Dexter, Maine. I wear my Purple Heart - Combat Wounded baseball cap always and with pride.
A lot of people have noticed it and have come up to me and said "Thank You For Serving". I've lived here
for 19 years and no one has ever said this until now. I guess the War in Iraq has made a big difference
in how people now feel about their Veterans, no matter what war we were in. Believe me it really caught
me off balance when it first started. I was dumb founded, didn't know what to say. What 38 years later
this is happening. I'm still in "AWE"
